STAR WARS **ABC-3PO**

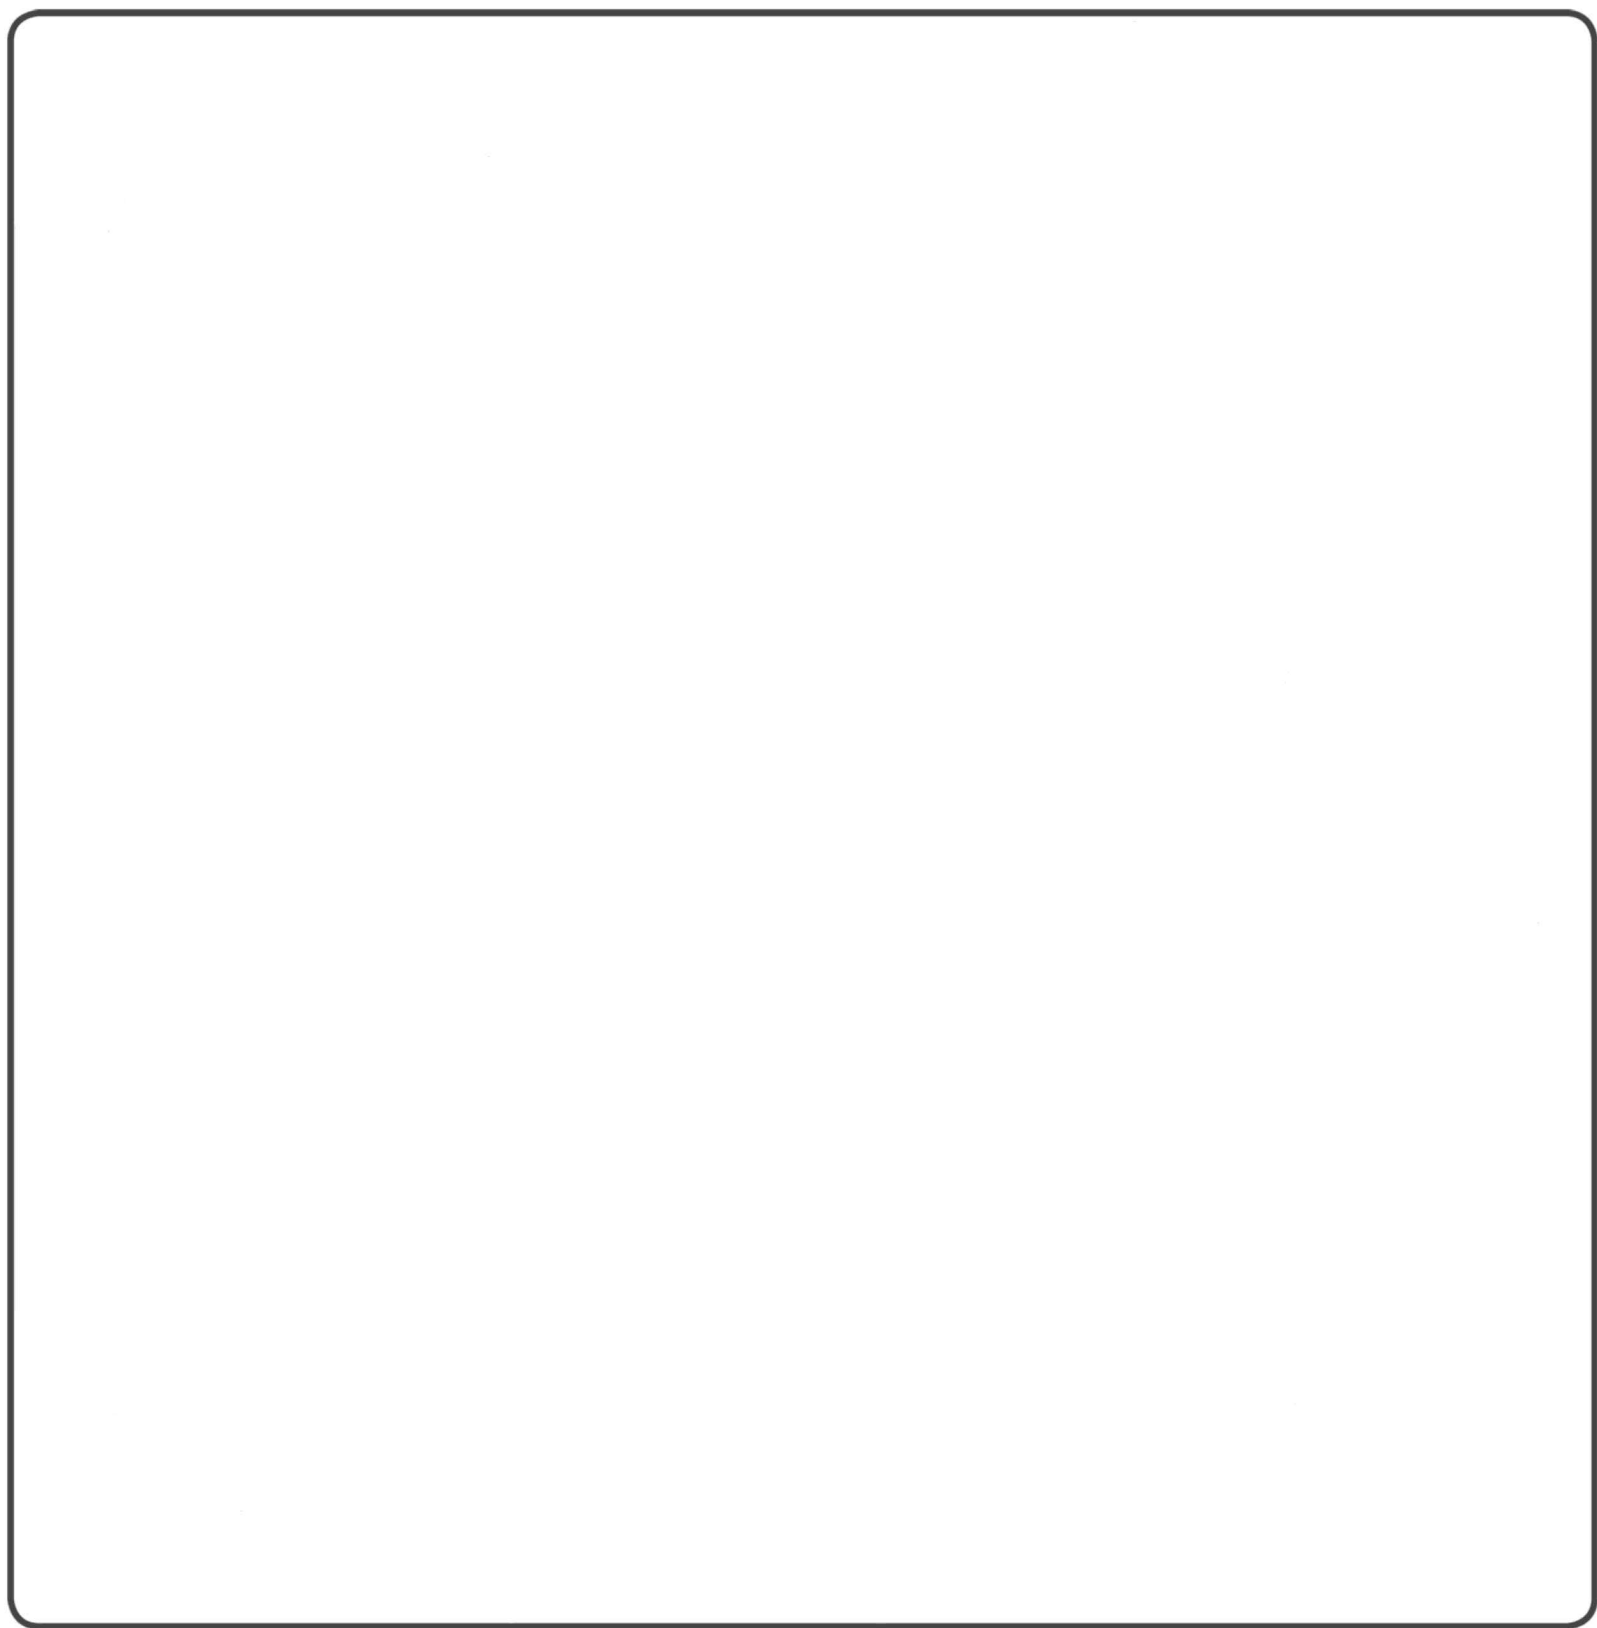

• GALACTIC BASIC EDITION •

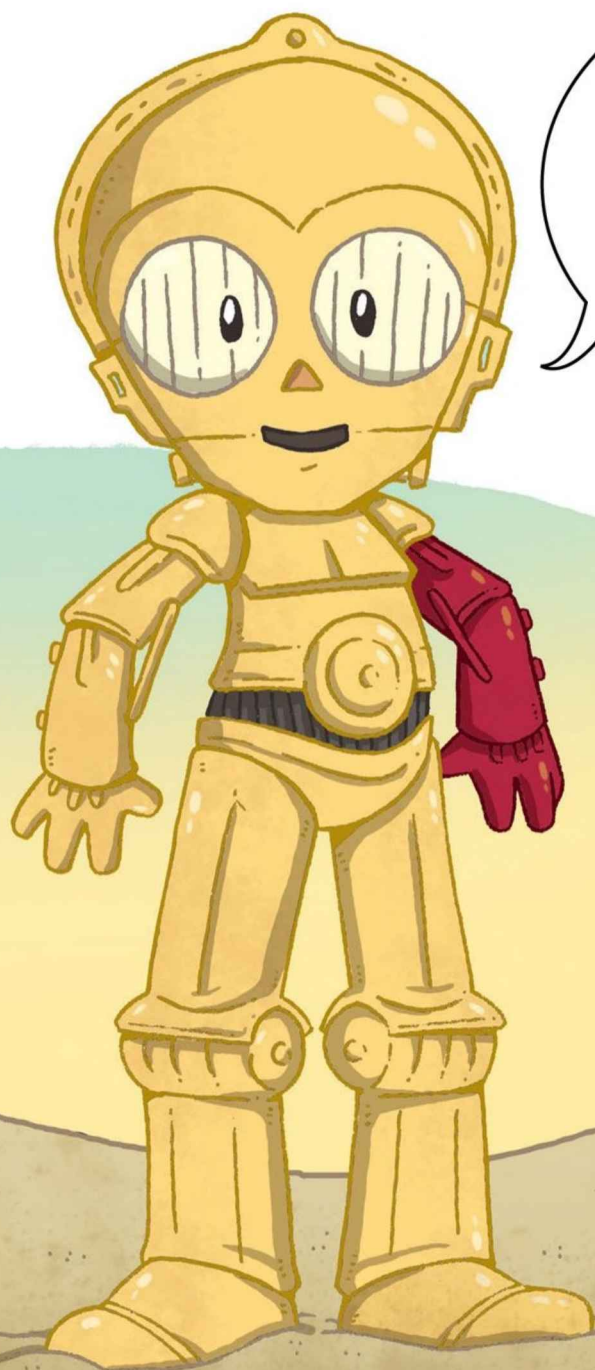

WRITTEN BY **CALLIOPE GLASS & CAITLIN KENNEDY**

ILLUSTRATED BY **KATIE COOK**

Los Angeles • New York

Hello, I am **C-3PO**,
human-cyborg relations.
I am fluent in over six million
forms of communication.

Welcome to an adventure
in rhyme and space. . . .

ACKBAR
ACKBAR

Poor Ackbar.

He tried.

It really wasn't his fault.

Blame those Empire thugs.

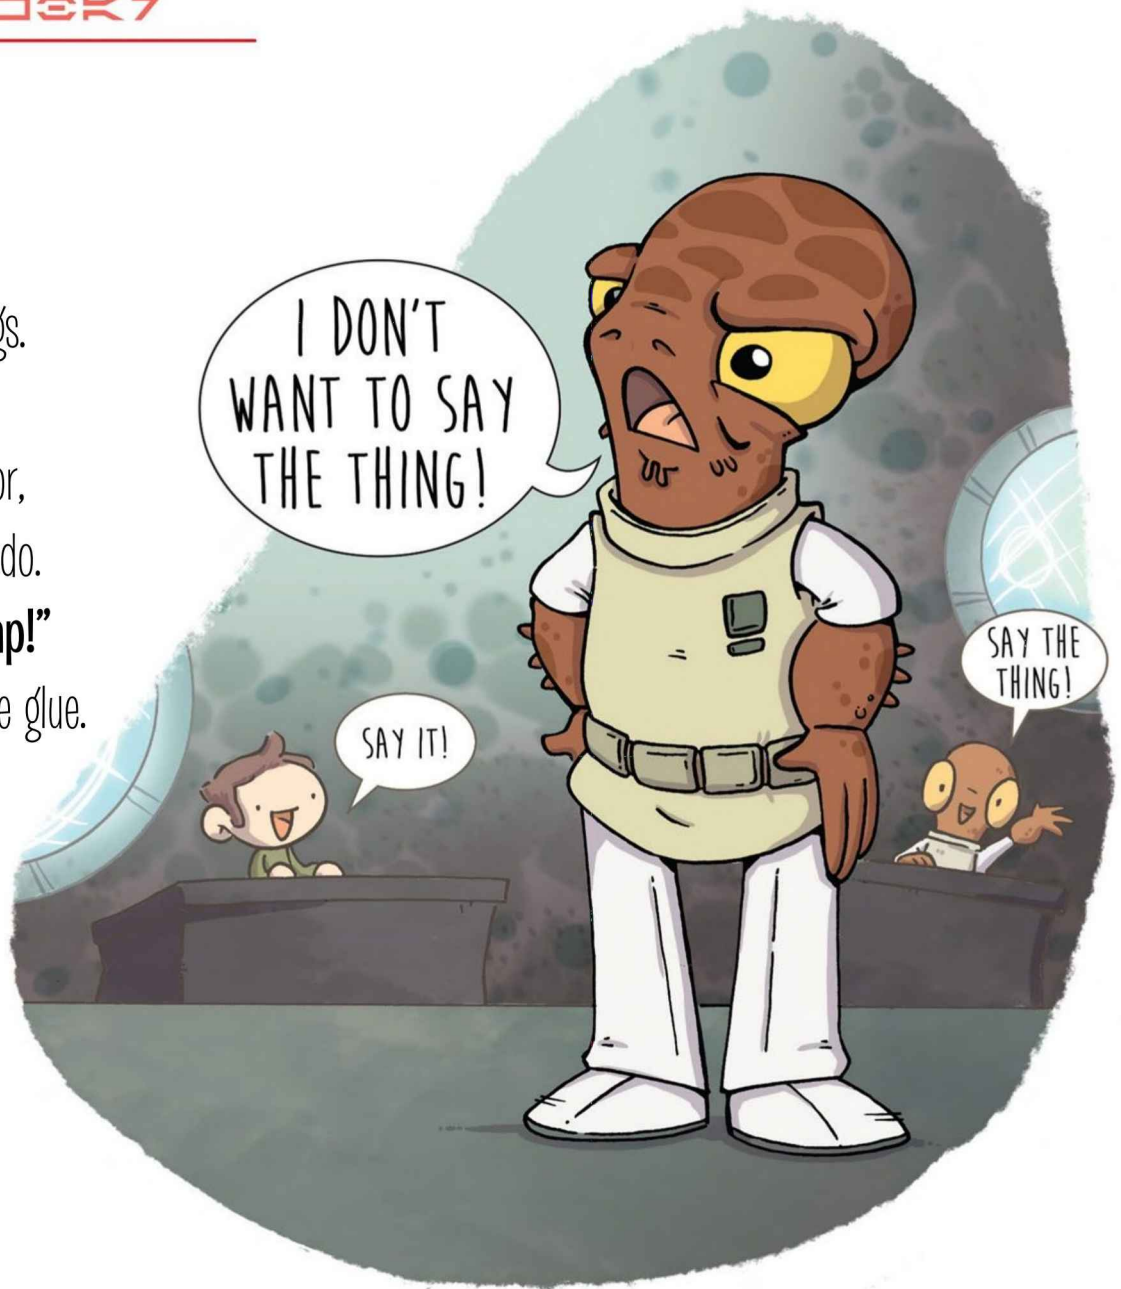

It was a total assault!

Unseen and unplanned for,

He didn't know what to do.

So he yelled, **"It's a trap!"**

And the phrase stuck like glue.

B

BOBA FETT

BOBA FETT

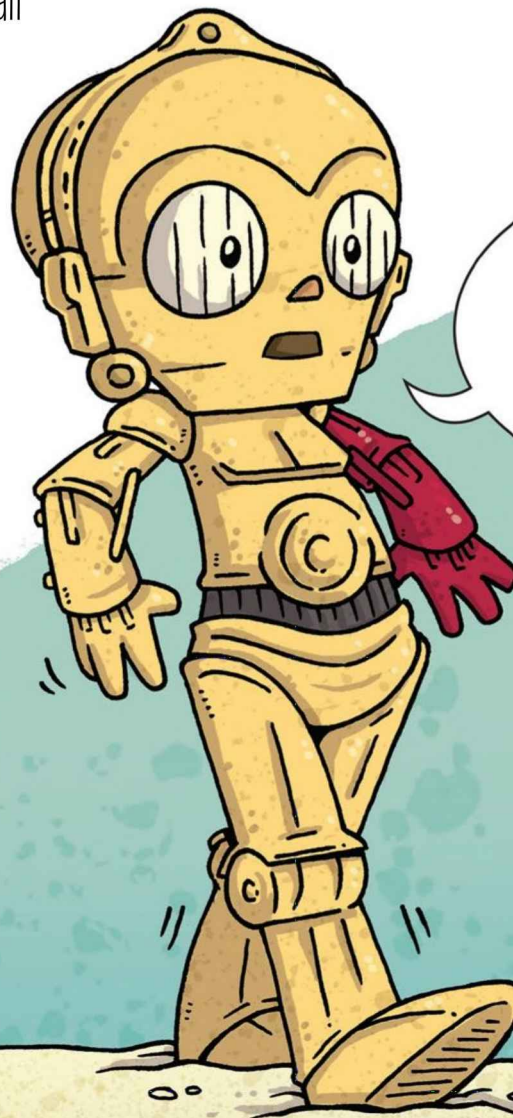

A bounty hunter with a jet pack to boot.
Where did Boba Fett find such a suit?
Tougher than nails,
He never, ever fails . . .
Unless there's a sarlacc.
Oh, shoot.

C-3PO
ᐱᐱᐱᐱᐱ

He once called Chewbacca a “flea-bitten furball”
And Artoo a fat “glob of grease.”
For a protocol droid, his manners are awful.
His grumblings never quite cease.
But Threepio’s got a heart of pure gold,
Or possibly iron or chrome.
Either way, he’s begrudgingly loyal,
So he’ll follow wherever you roam.

WAIT
FOR ME!

BOOP
BEEP

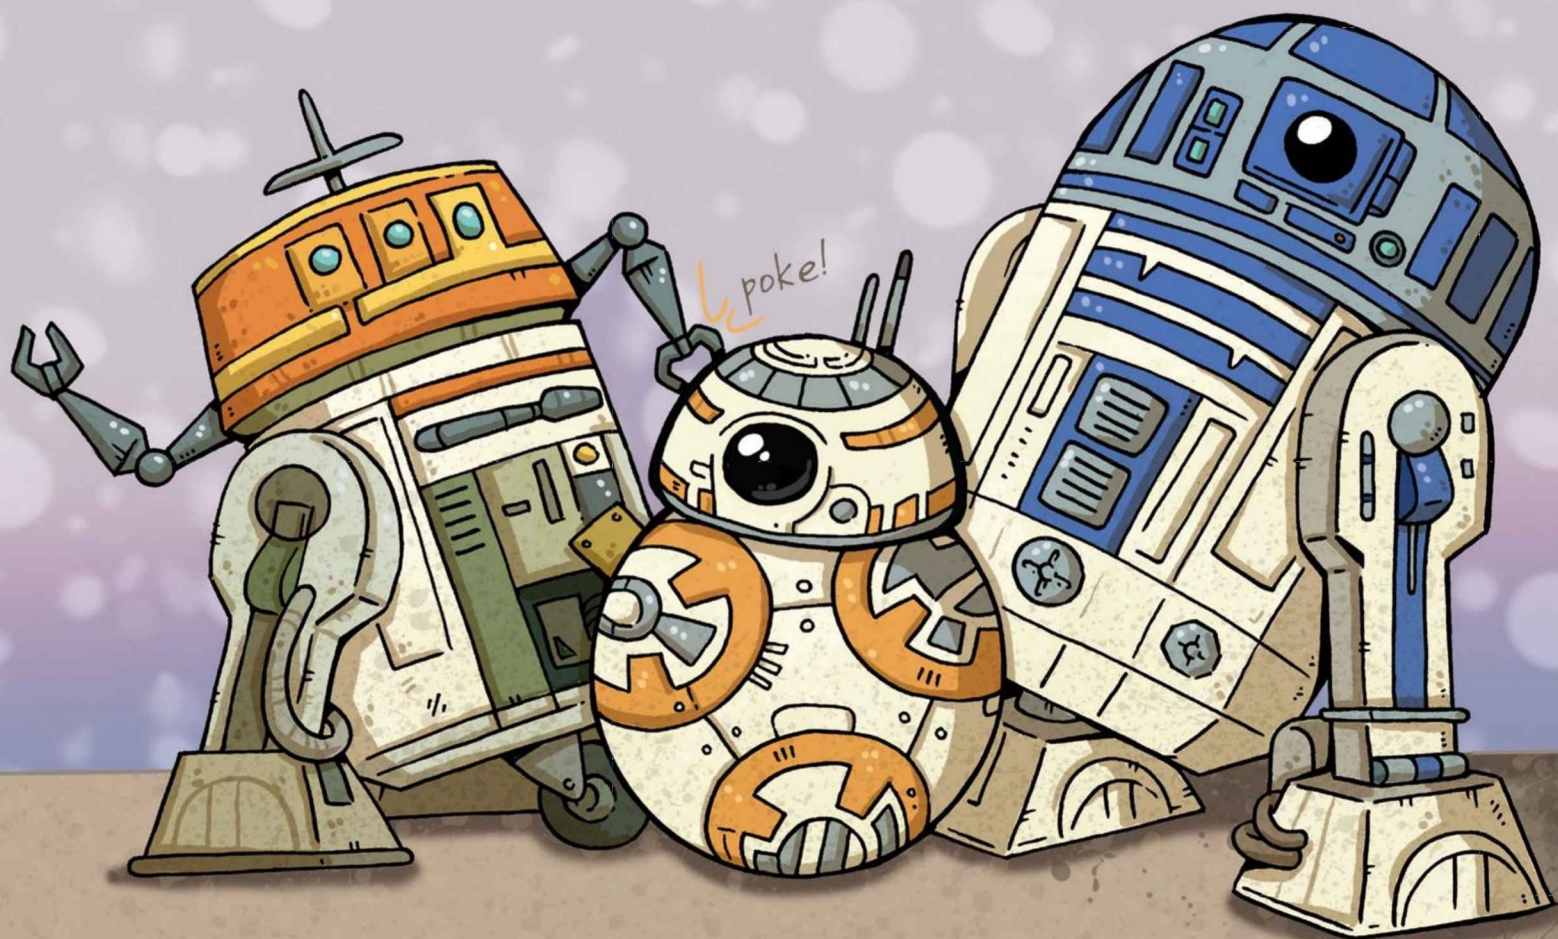

DROIDS

77017N

Droids may be machines,
But they have oh so much heart.
Ever present, brave and true,
Their loyalty sets them apart.
R2-D2, for example, never ceases to amaze.
He's truly the hero; he deserves all the praise!
BB-8 is another small little friend.
Be it through thick or thin, he'll follow you to the end.
And Chopper, well, Chopper will do just what he wants.
But he does come in handy, if you can handle his taunts.

?!?

EWOKS

WOKON

Ewoks are tricky.
They seem fluffy and cute.
But if they attack,
You might want to scoot.
Sure, they like stories
And feasts in the night.
But don't get too close, now;
They've been known to bite.

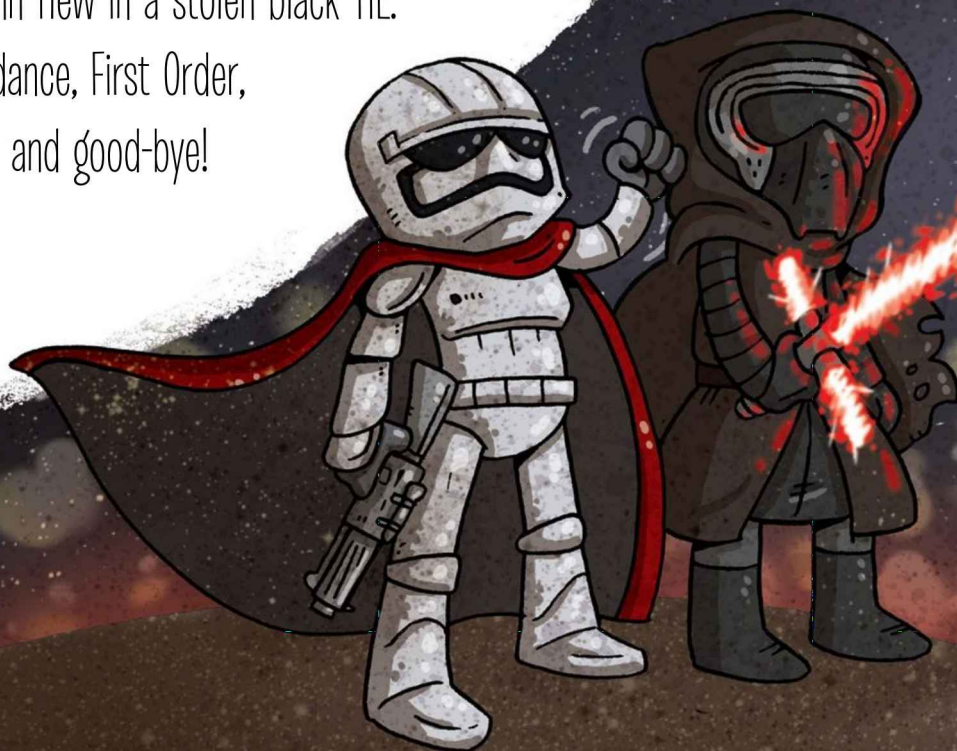

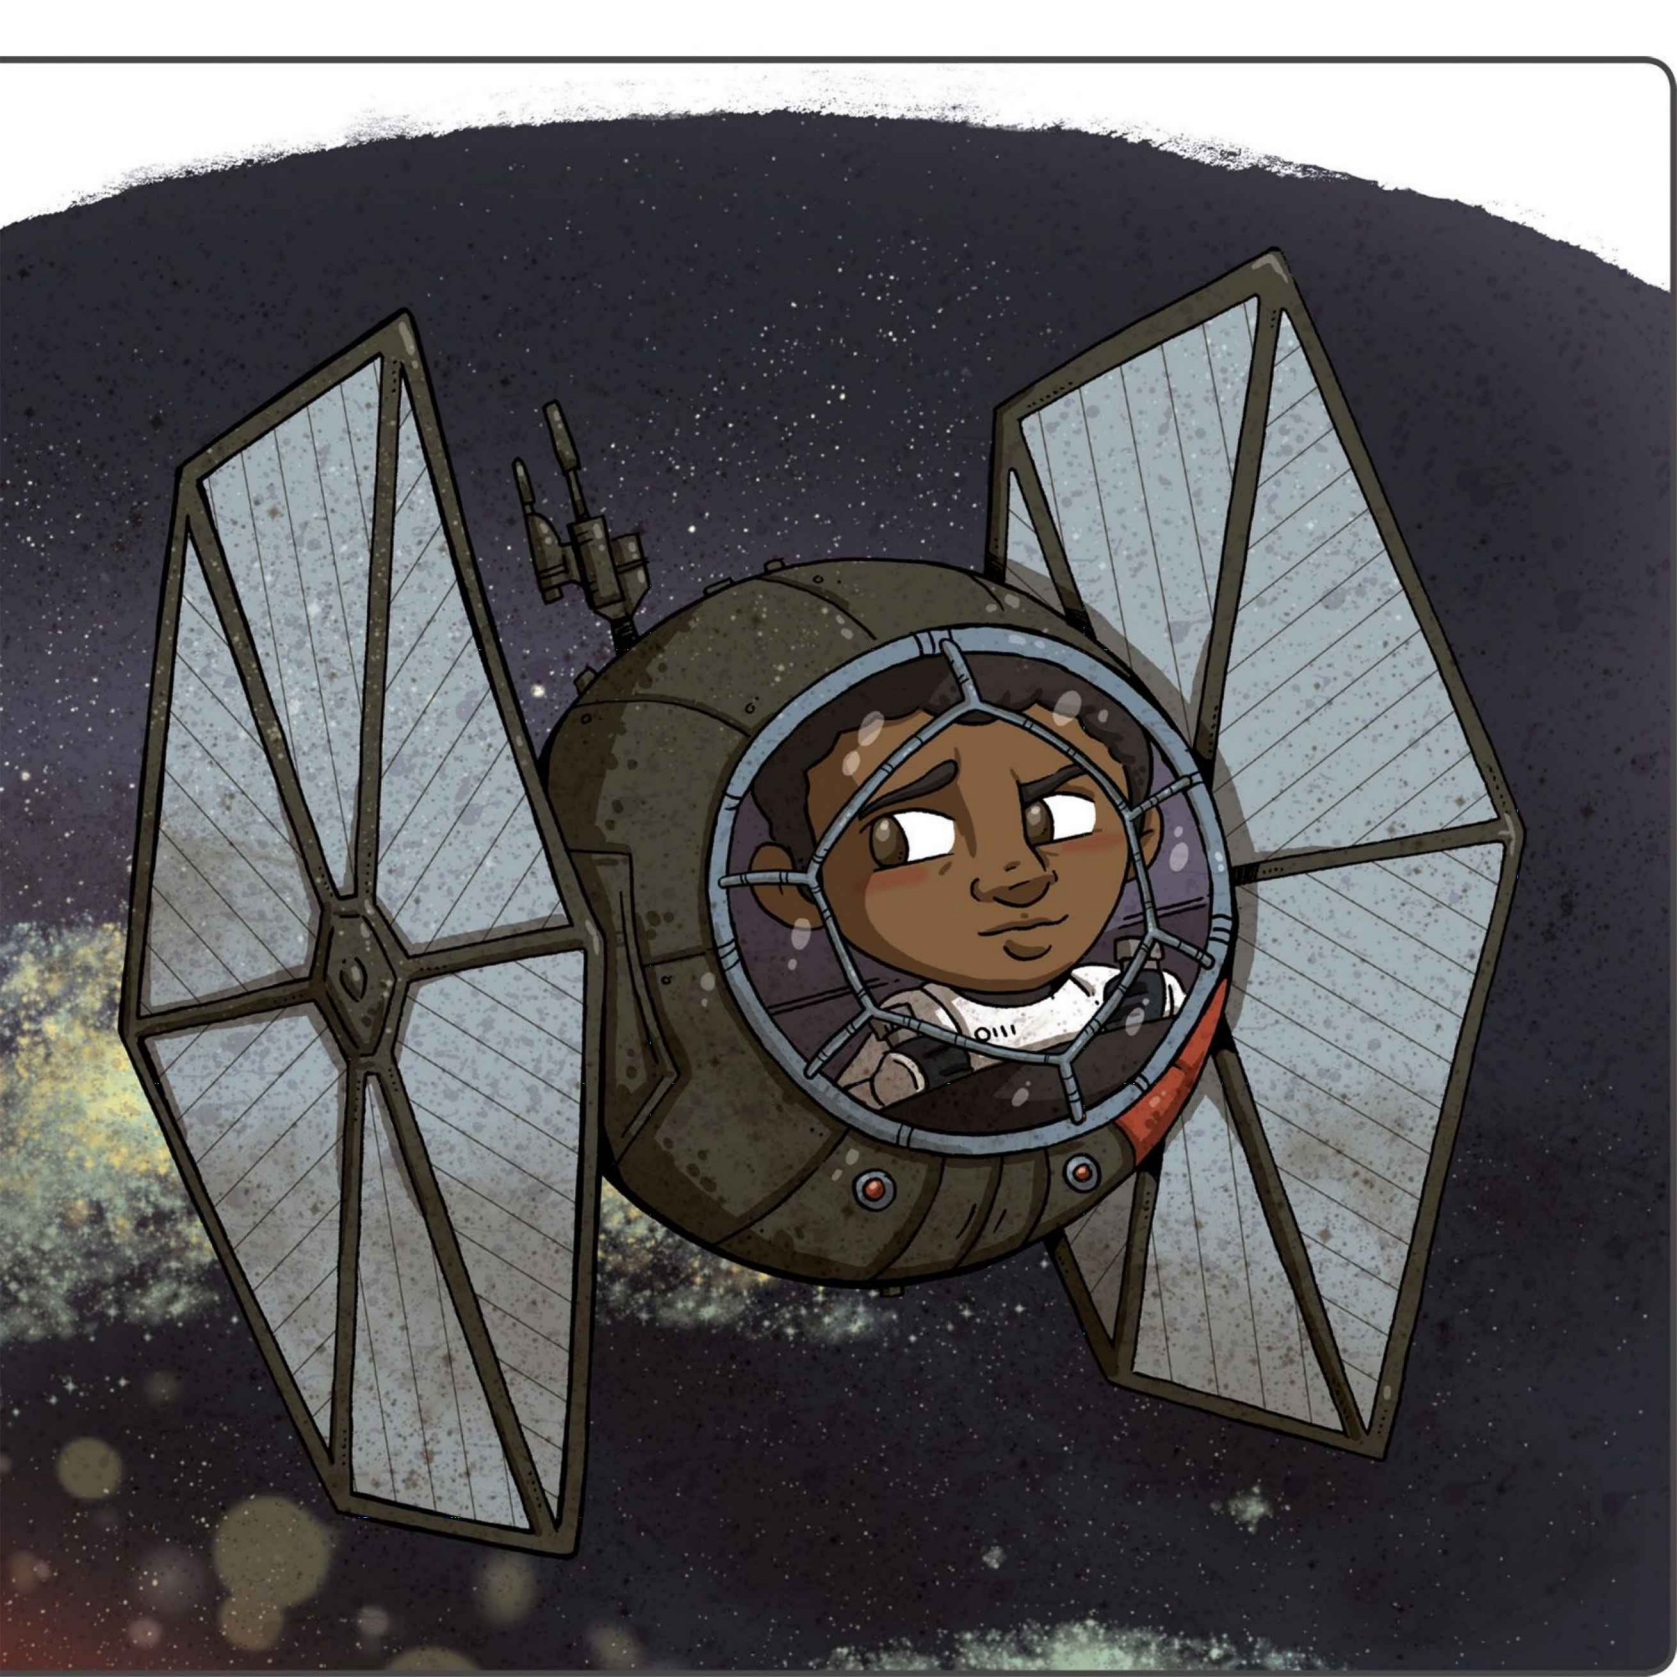

FINN
フィン

Finn was a stormtrooper,
But he had to cut loose.
“This Kylo guy’s evil,”
He’d come to deduce.
Plus his boss was a real pain in the armor.
Phasma was hardly what you’d call a charmer.
So off Finn flew in a stolen black TIE.
Good riddance, First Order,
good day and good-bye!

GREEDO
077VIV70

"Going somewhere, Solo?" he asked.

"I see right through that grin.

You hate knowing the odds,

But here's one you won't win.

This bounty is mine; of that I am sure.

I can't wait to take you to Jabba's front door."

HAN SOLO

ΕΚΑ ΝΟΝΟ

A cantina in Mos Eisley,
Smoky, dim, and loud.
In a corner there's a smuggler,
Scruffy, cool, and proud.
He owes Jabba money,
And Greedo's well aware.
But Han just draws his blaster
And ends the whole affair.

IG-88
117-88

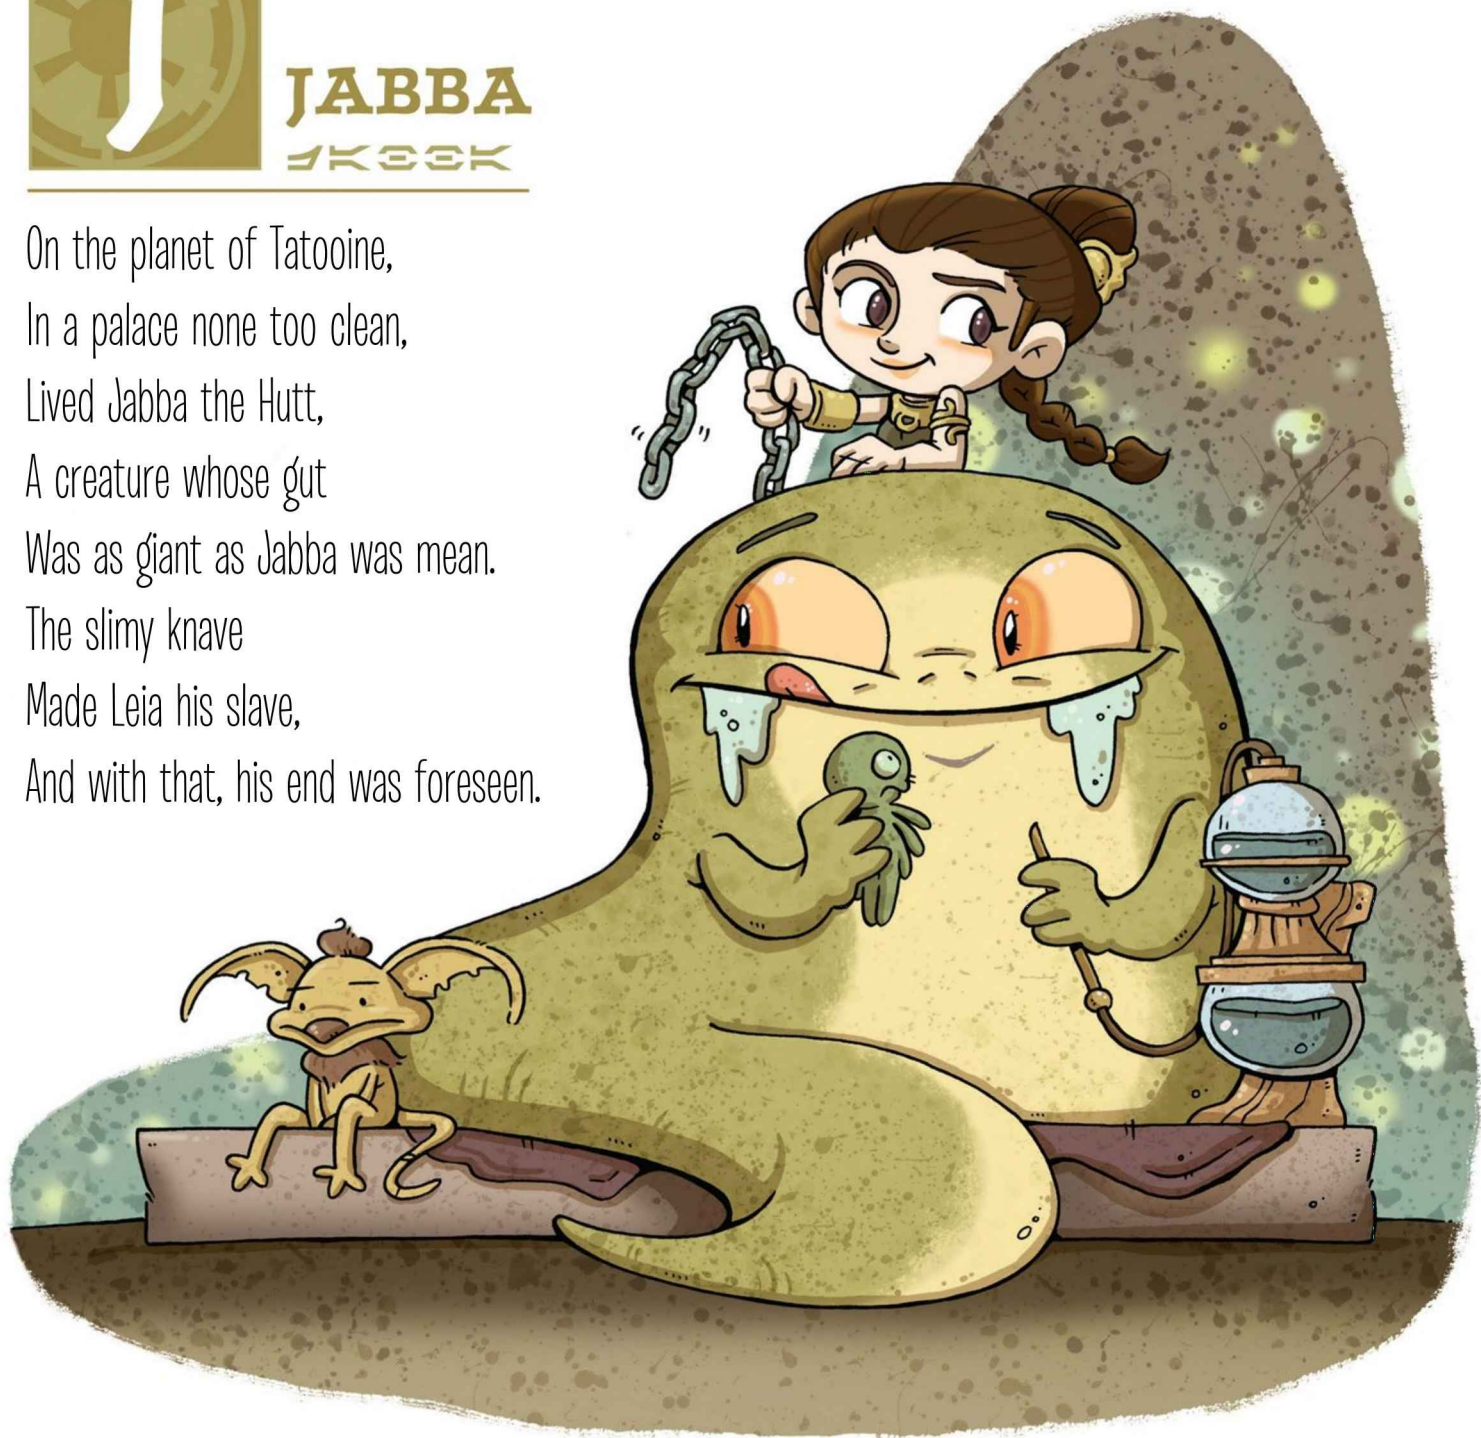

Metal skin,
Tall and thin,
A droid who seeks
But rarely speaks . . .
Can he find
The one assigned?
Darth Vader's not
The forgiving kind.

JABBA JKEEK

On the planet of Tatooine,
In a palace none too clean,
Lived Jabba the Hutt,
A creature whose gut
Was as giant as Jabba was mean.
The slimy knave
Made Leia his slave,
And with that, his end was foreseen.

KYLO
コウロ

Kylo, you're crazy.
You've got to be kidding!
A three-bladed lightsaber
Helps do your bidding?
Come now, be civil;
Have one blade or two.
Three is just cocky.
We all know it's true.

LUKE & LEIA

לוק ו ליה

Luke Skywalker was an only child;
At least that's what he'd concluded.
All alone in a desert with nothing to do,
He just sat around and brooded.
Meanwhile, in a palace fine,
Did Leia grow up in hiding—
Strong, smart, and capable,
And over the Senate presiding.
But after many years it was clear
They were destined for greater things:
Luke as a Jedi and Leia a general,
But best of all as siblings.

This bucket of bolts,
This hunk of junk,
She jostles and jolts
From cockpit to trunk.
But Han wasn't lying—
She's the best at flying . . .
Until she breaks down with a ***clunk!***

NIEN NUNB

ᠨᠢᠨ ᠨᠤᠨᠪ

It's rebels versus the Empire—
A final showdown at last.
Lando's flying the *Falcon*,
Along with a friend from the past.
Nien Nunb's been fighting for ages.
He's a good guy through and through.
Though with a laugh and a well-timed blast,
He bids his enemies adieu.

OBI-WAN KENOBI

᠋᠋᠋᠋᠋᠋ ᠋᠋᠋᠋᠋᠋

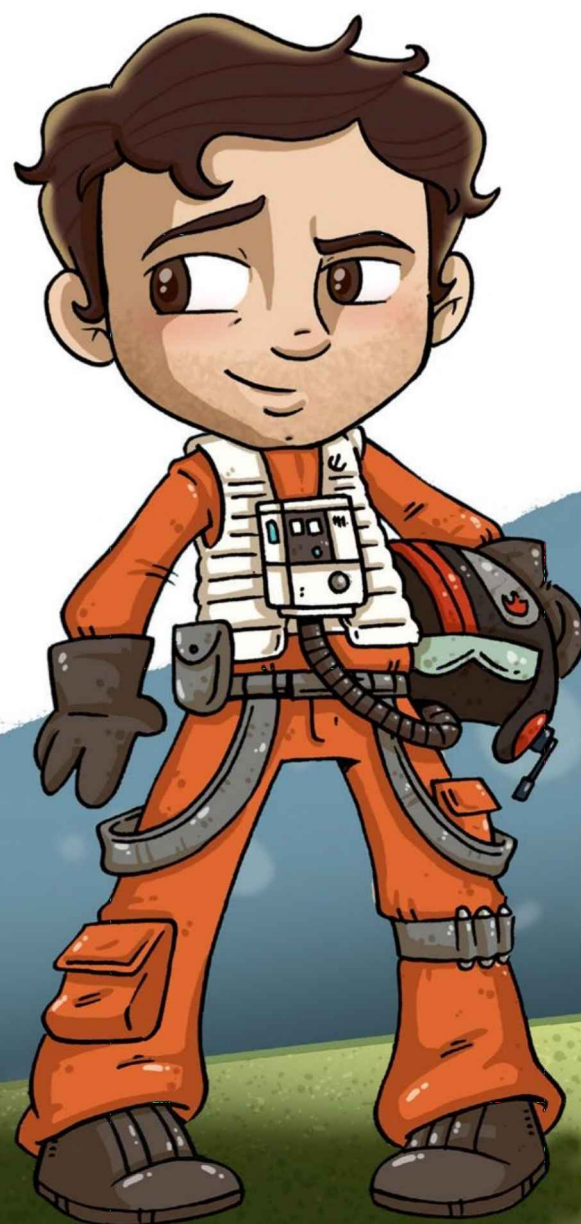

Jedi, Jedi in a hut,
Hermit hiding, waiting, but ...
Jedi, look, a droid is coming,
Rolling, beeping, flashing, humming.
Jedi, Artoo's loyalty
Brings a plea from royalty.
Jedi, Princess Leia calls.
Will you leave these desert walls?

POE
DAMERON

He's the best there is at flying through space.
Make no mistake, Poe Dameron's an ace.
He's a pilot for the Resistance
And fights First Order TIEs.
It's his mission in life
To take down the bad guys.
So if ever you're in need of a helping hand,
Just find the black ship with the bright orange band.

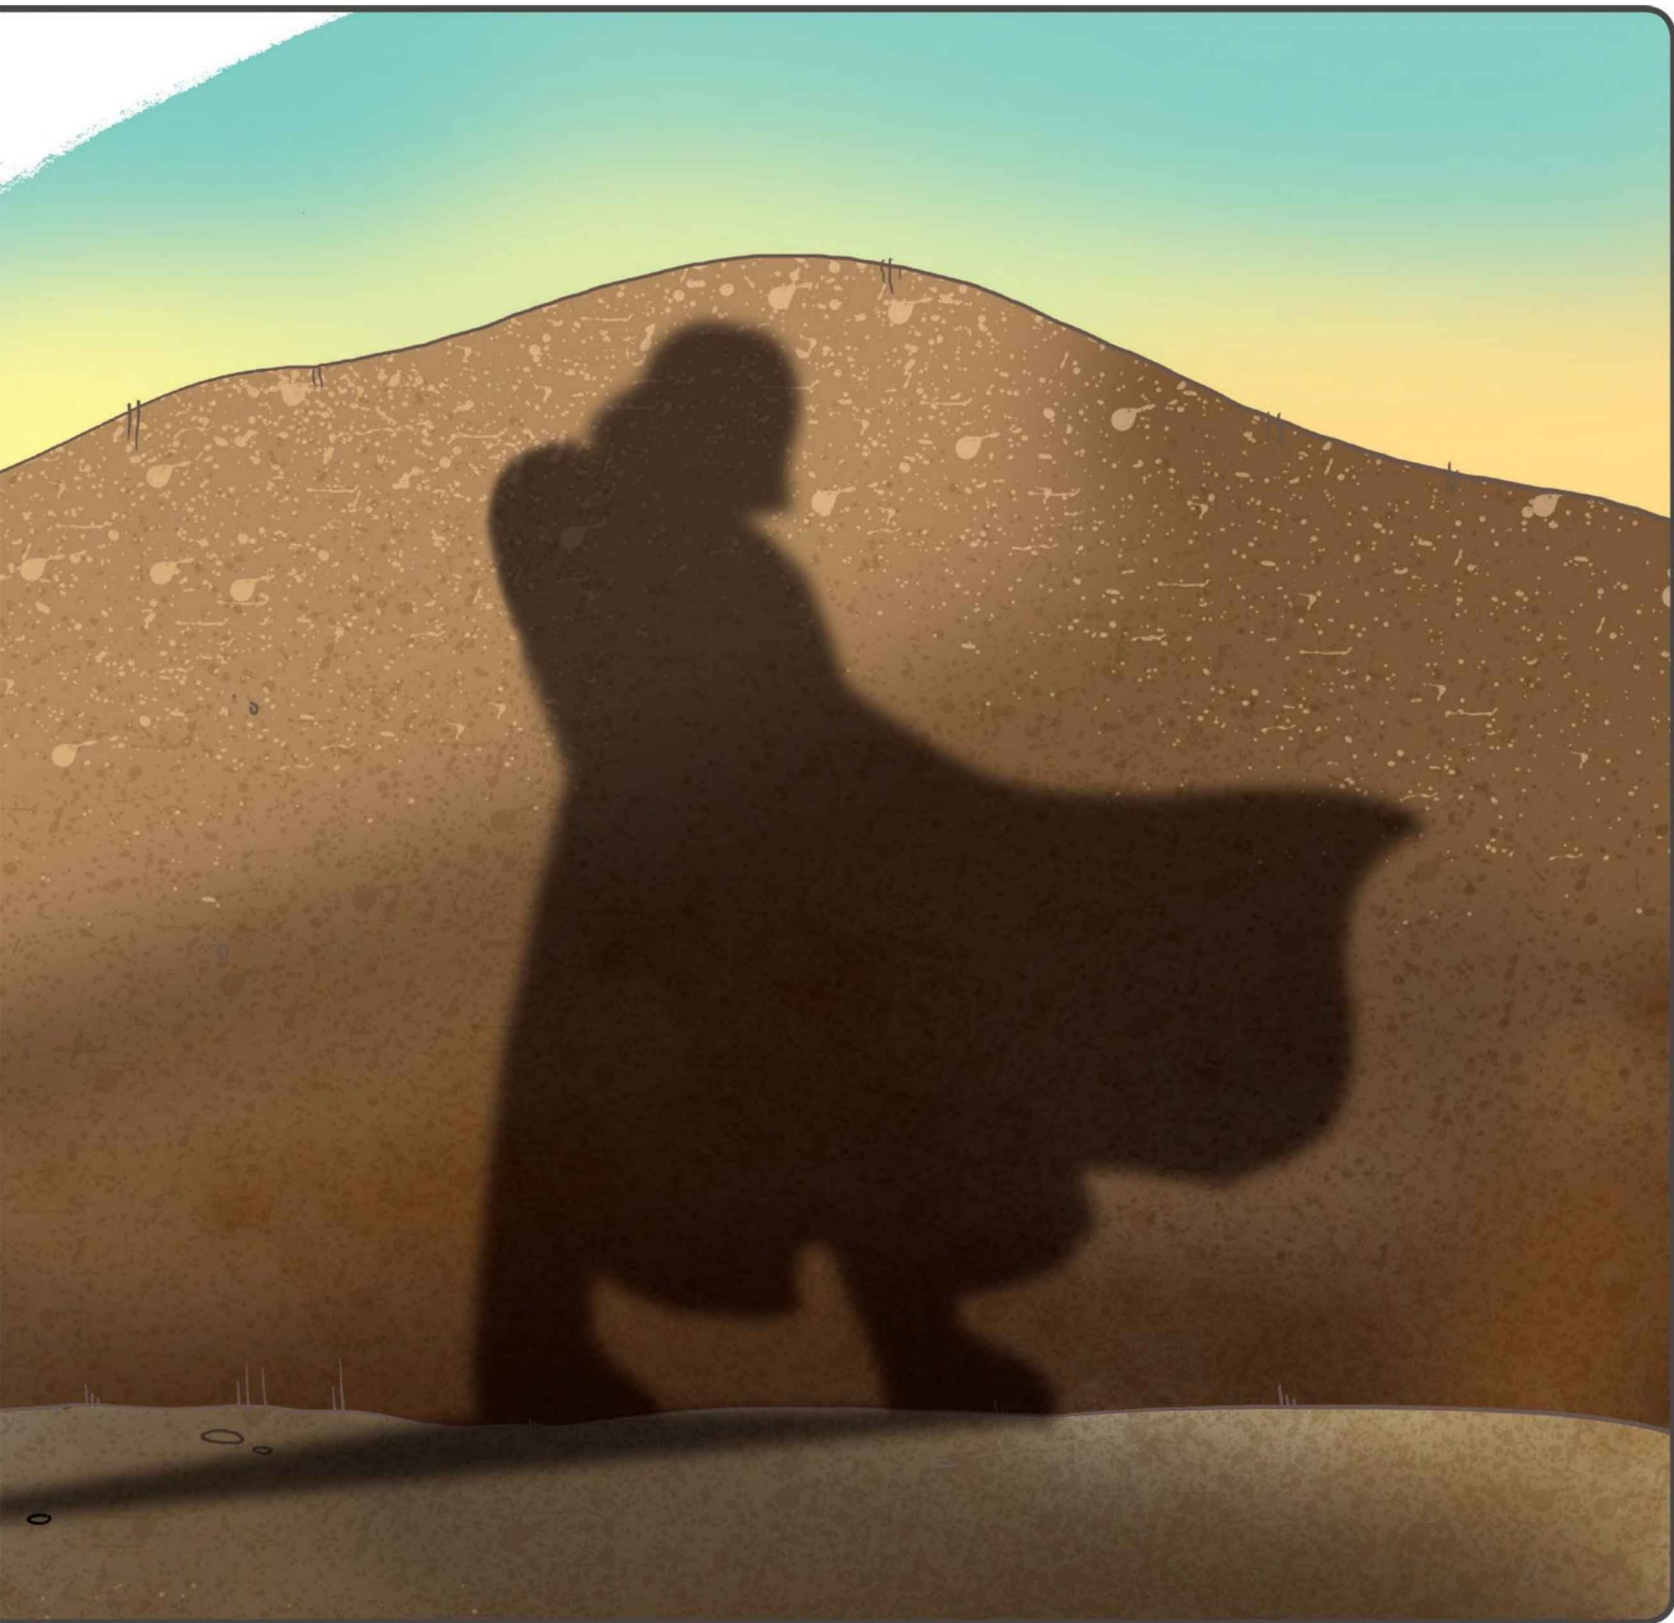

QUI-GON JINN

קִי-גֹן גִּינ

In a galaxy far, far away,
On one fateful Tatooine day,
A powerful Jedi named Qui-Gon Jinn
Met a little kid named Anakin.
Jedi training was Qui-Gon's plan,
To raise the boy into a man.
For Anakin's sense of the Force was so strong—
What could possibly ever go wrong?

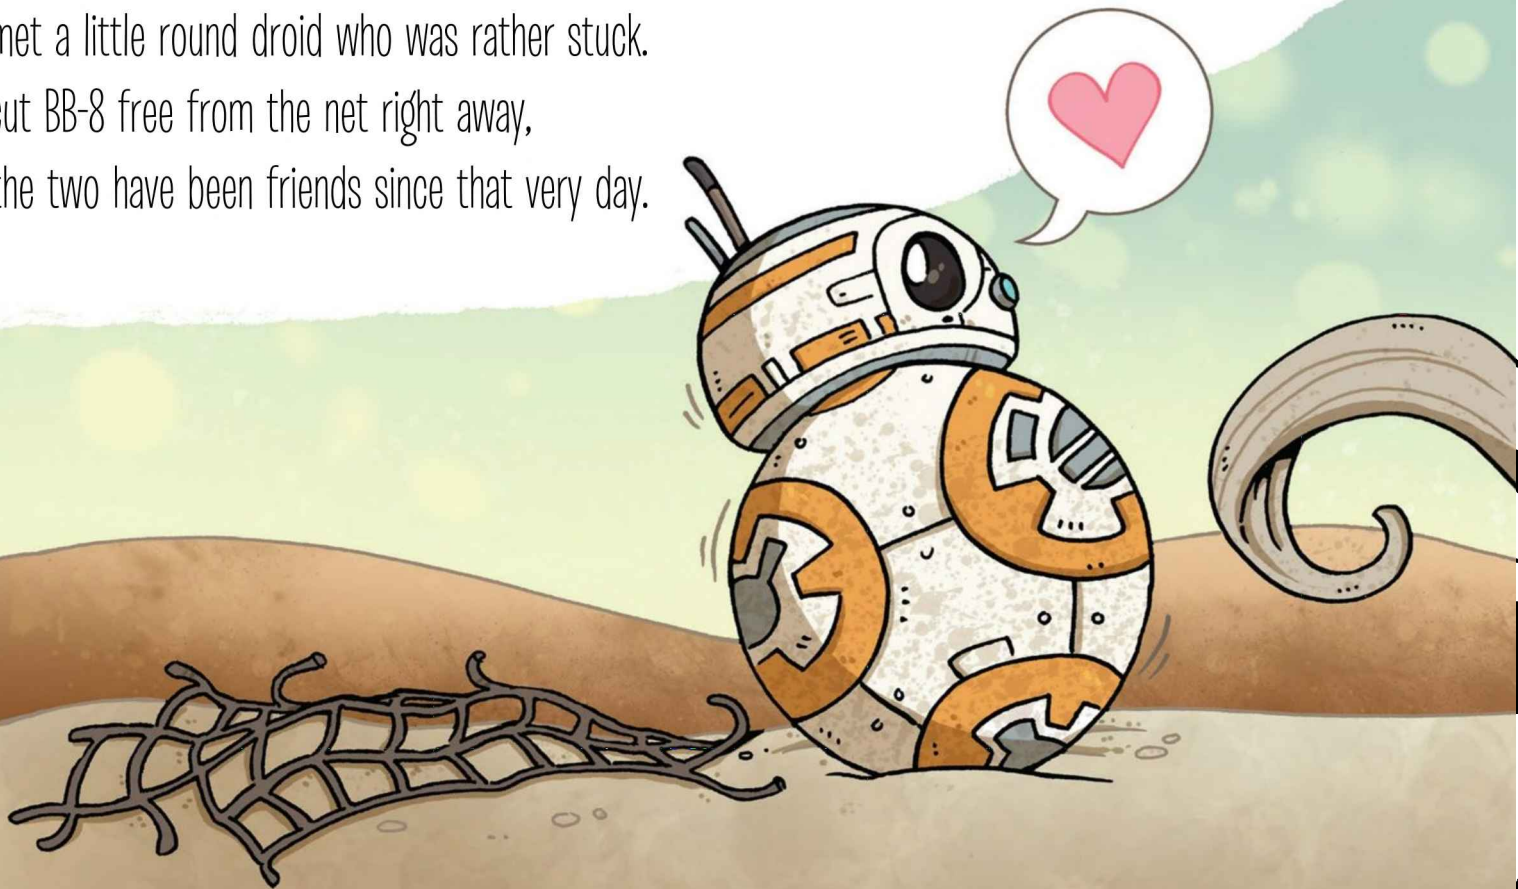

REY
7M7

Rey was a scavenger, hardened yet spry.
She could fight off six Teedos without batting an eye.
But she was stuck on Jakku, alone in the sun,
For years by herself, till hope she had none.
Then one afternoon, Rey had such good luck.
She met a little round droid who was rather stuck.
Rey cut BB-8 free from the net right away,
And the two have been friends since that very day.

STORMTROOPERS

↘↘△7↘↘7□□V7↘

What is hiding underneath

That expressionless white mask?

"Stormtrooper, what are you thinking?"

Is the question I'd like to ask.

Do stormtroopers smile? Do stormtroopers cry?

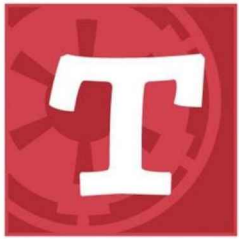

Is a stormtrooper a person? Or just a bad guy?

One thing is for sure, believe it or not—

A stormtrooper's usually a terrible shot.

TIE FIGHTER

↓1VI ⚡107Ξ↓VI7

Where are they coming from?

How can this be?

Just when you hit one,

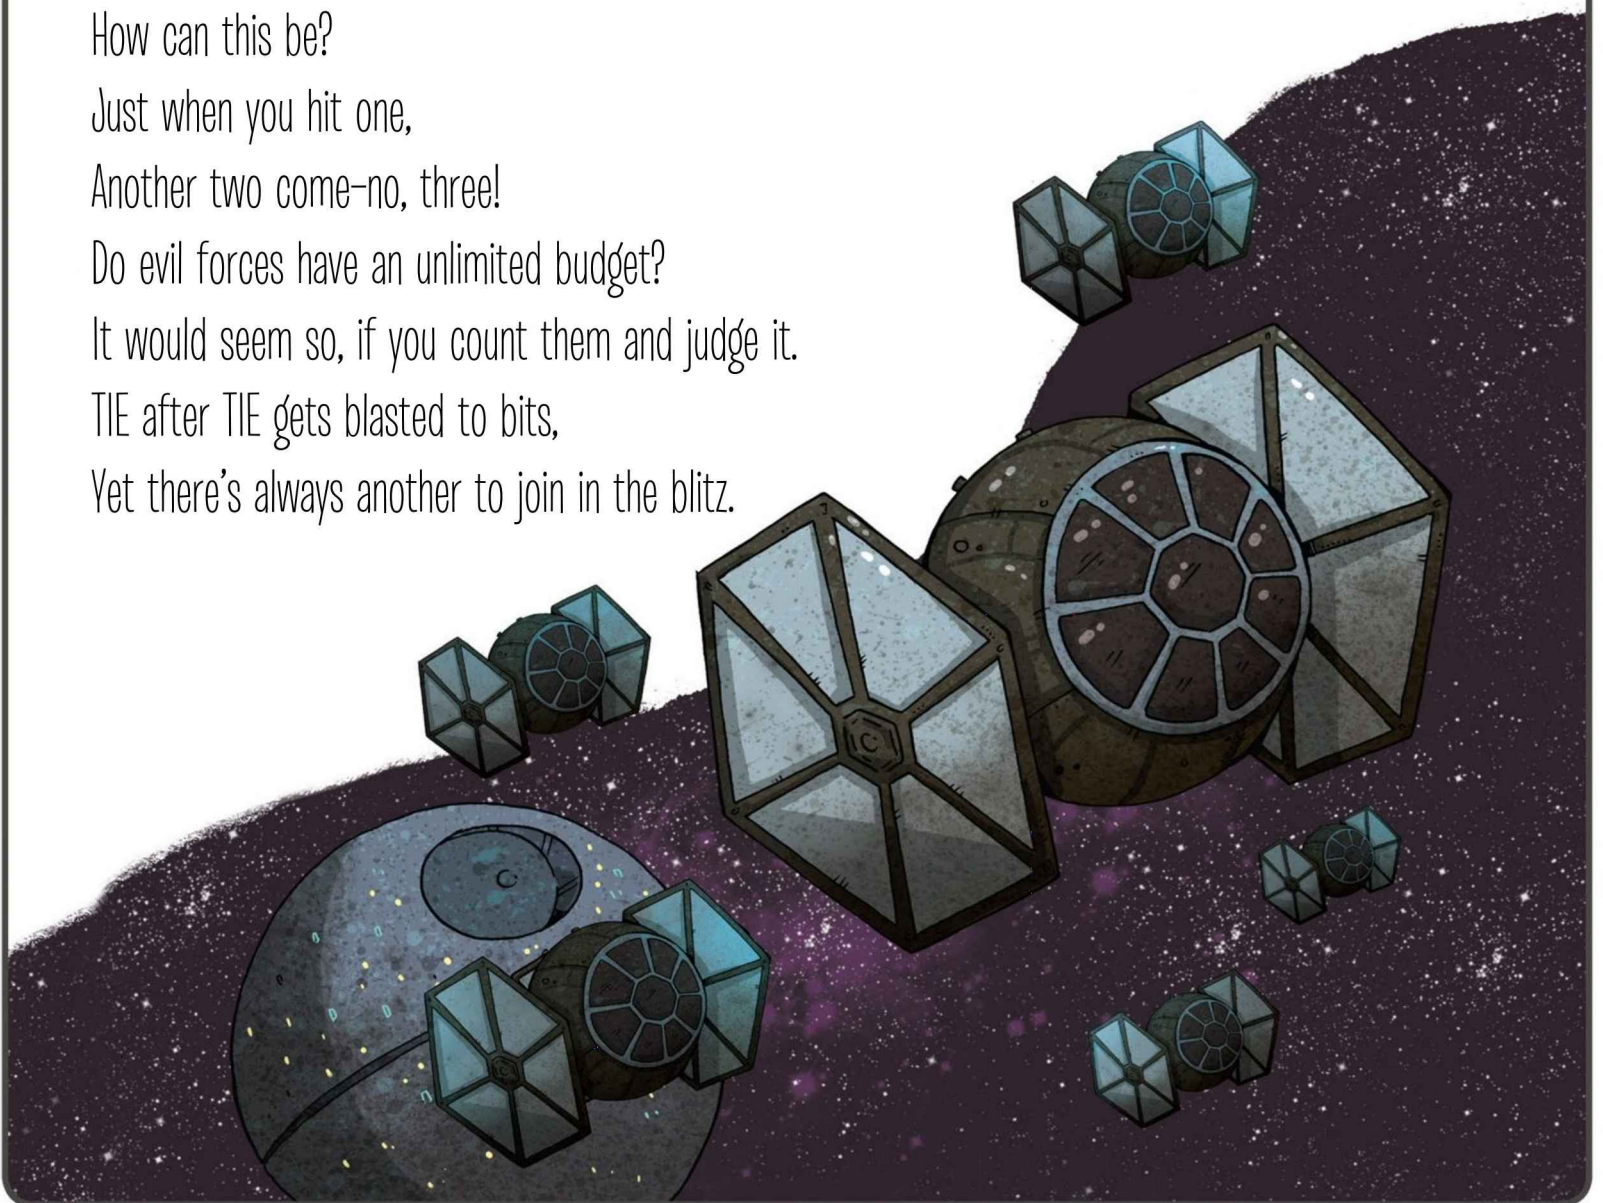

Another two come-no, three!

Do evil forces have an unlimited budget?

It would seem so, if you count them and judge it.

TIE after TIE gets blasted to bits,

Yet there's always another to join in the blitz.

UNKAR PLUTT

ᠤᠨᠠᠷ ᠯᠤᠳᠤ

The junk boss of Jakku is Unkar Plutt,
But he seems like a wannabe Jabba the Hutt.
From his gut to his greed,
He's the worst of his breed.
Yet he reigns, so don't try to rebut.

VADER
YK7M7

Most folks would rather jump in a sarlacc pit
Than ever hang out with Darth Vader.
He's even less charming and much more alarming
Than a ticked-off Tusken Raider.
Just look at Luke, when he found out the truth.
Sure, losing a hand is a bother—
But a missing appendage is no big deal
Compared with “Luke, I am your father.”

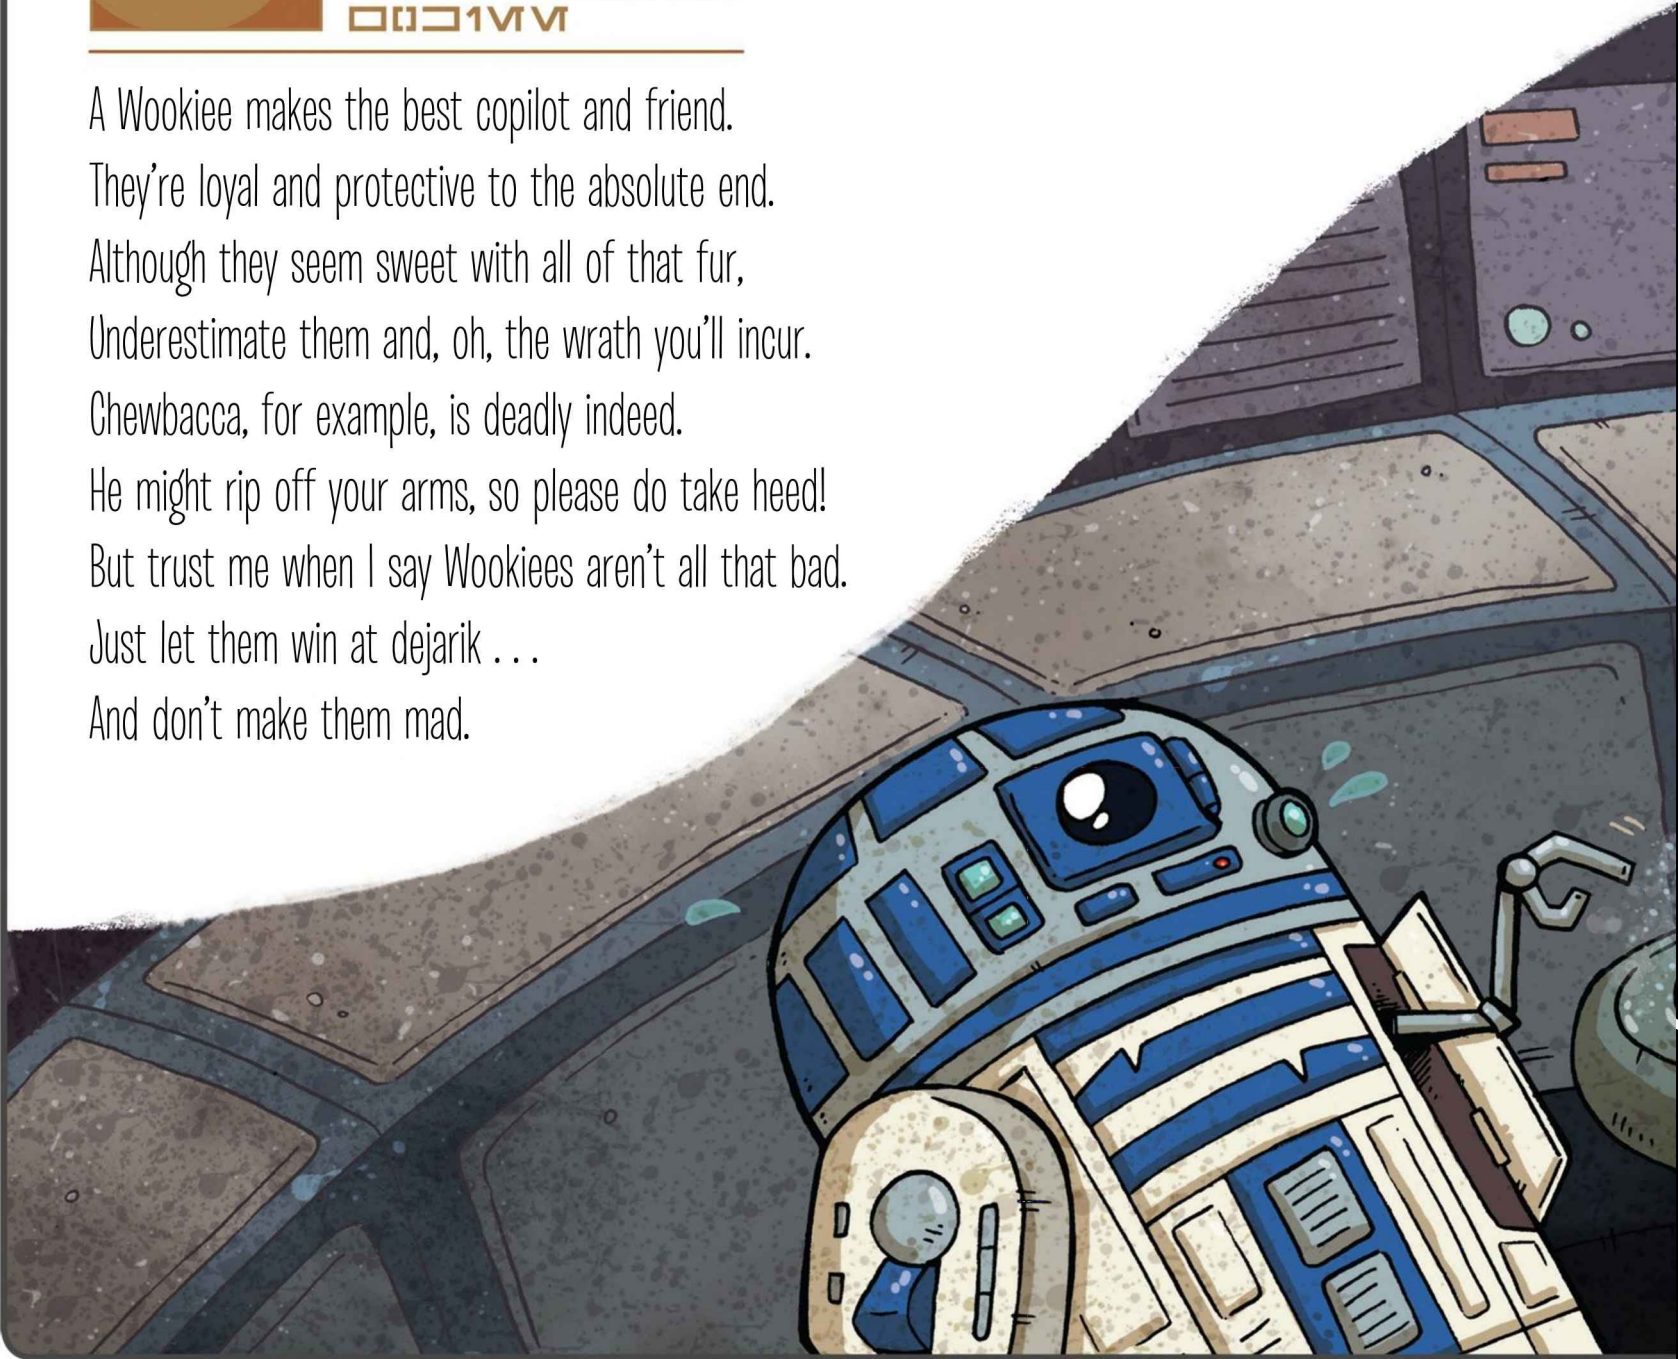

Noooo!

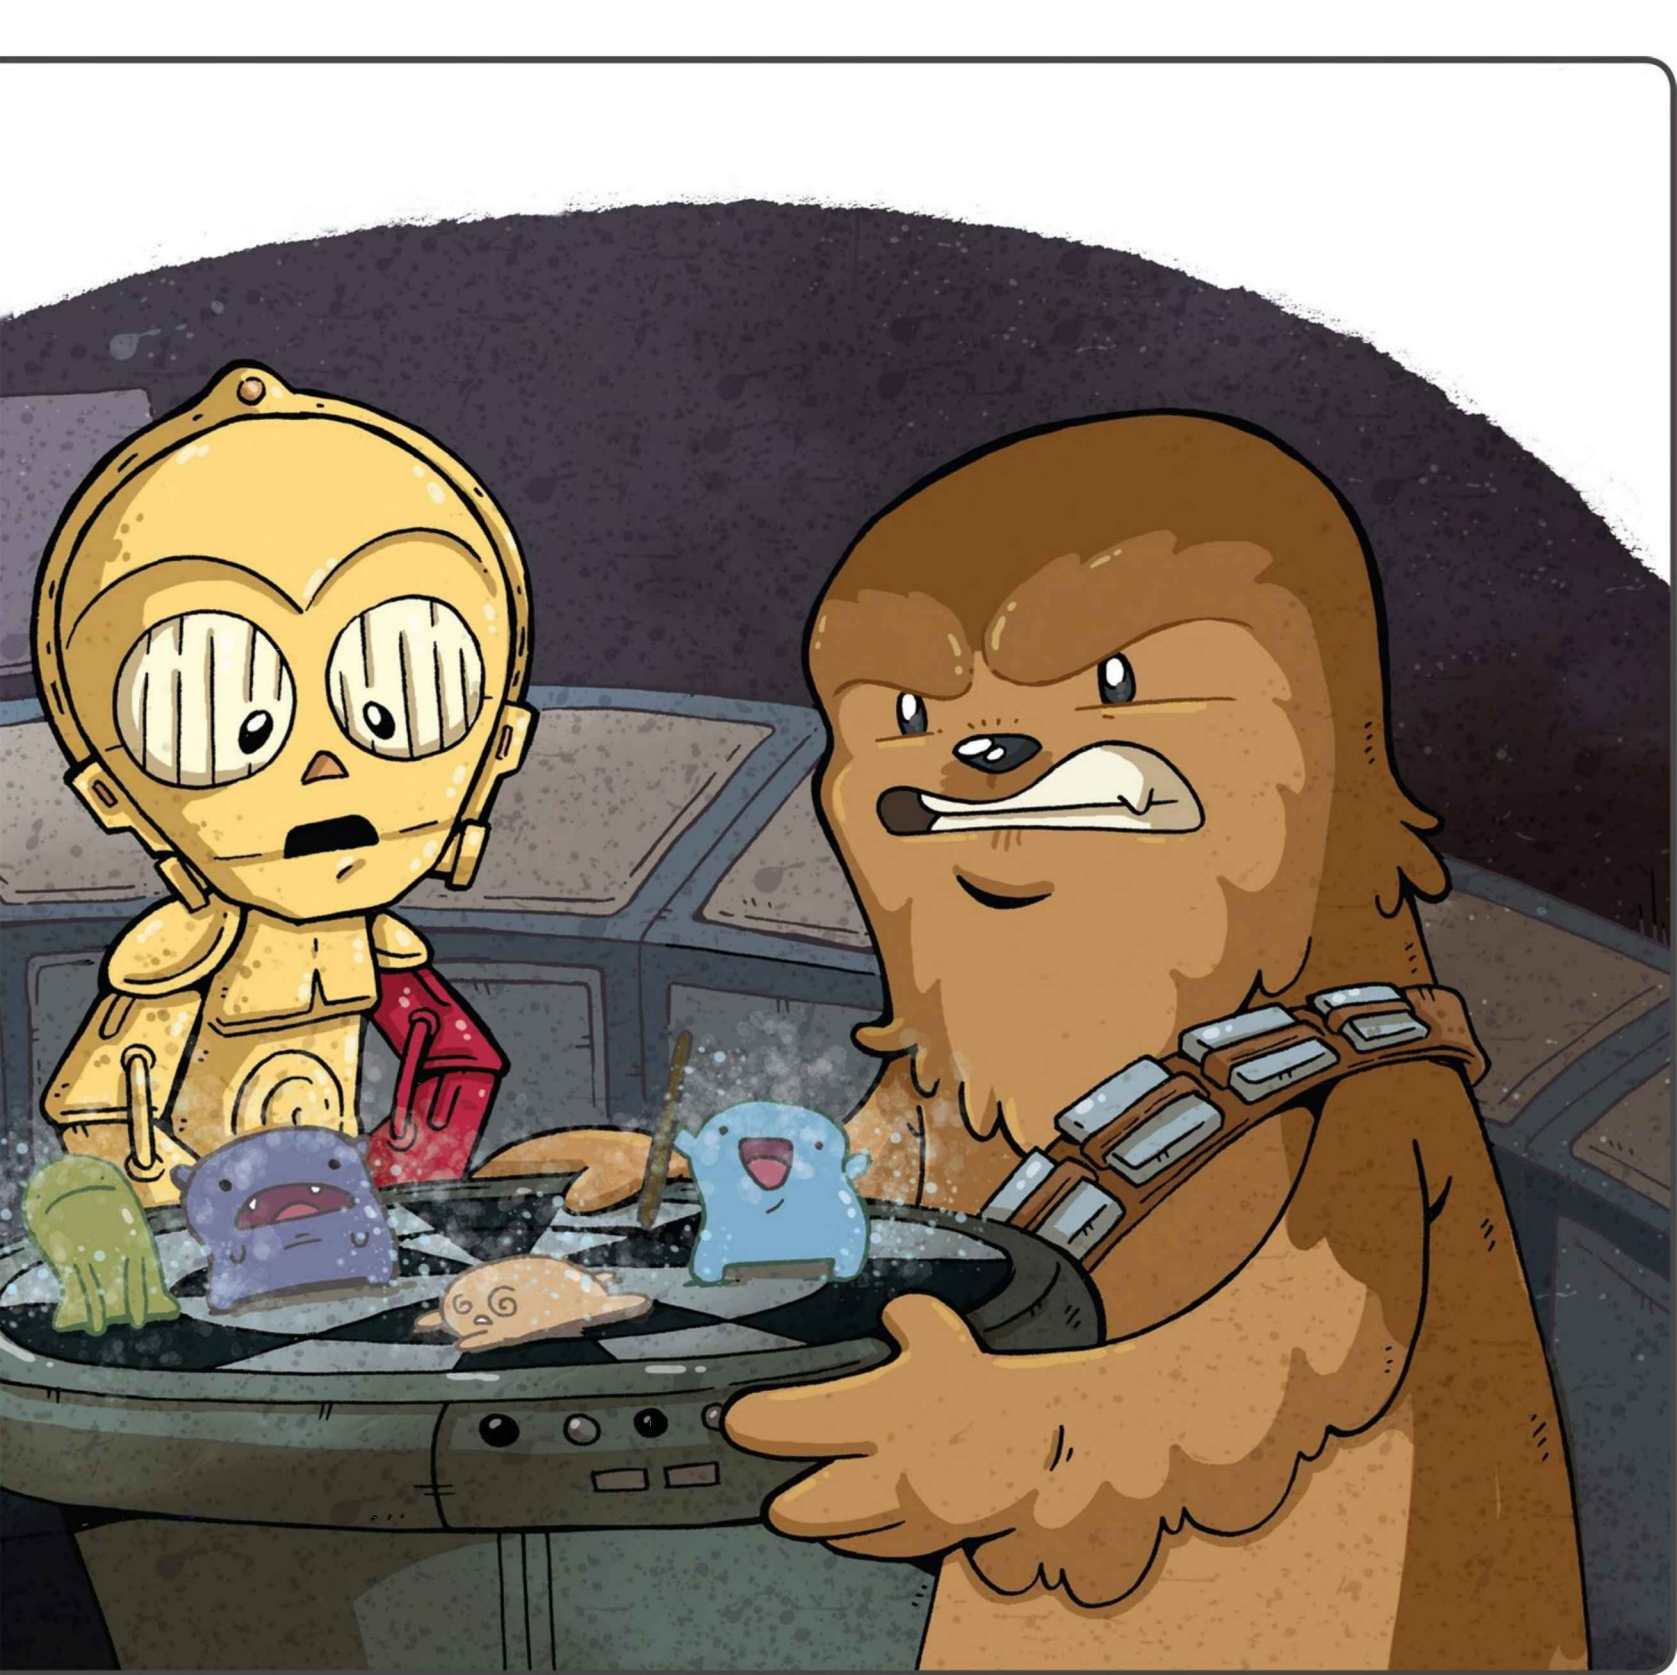

WOOKIEE
□□□1V1V

A Wookiee makes the best copilot and friend.
They're loyal and protective to the absolute end.
Although they seem sweet with all of that fur,
Underestimate them and, oh, the wrath you'll incur.
Chewbacca, for example, is deadly indeed.
He might rip off your arms, so please do take heed!
But trust me when I say Wookiees aren't all that bad.
Just let them win at dejarik . . .
And don't make them mad.

X-WING
Δ-Ω171

A fighting pair, droid and human,
Astromech and rebel crewman.
X-wings need two to fly,
Two to climb and touch the sky.
Evil forces, these ships condemn,
All thanks to those who pilot them.

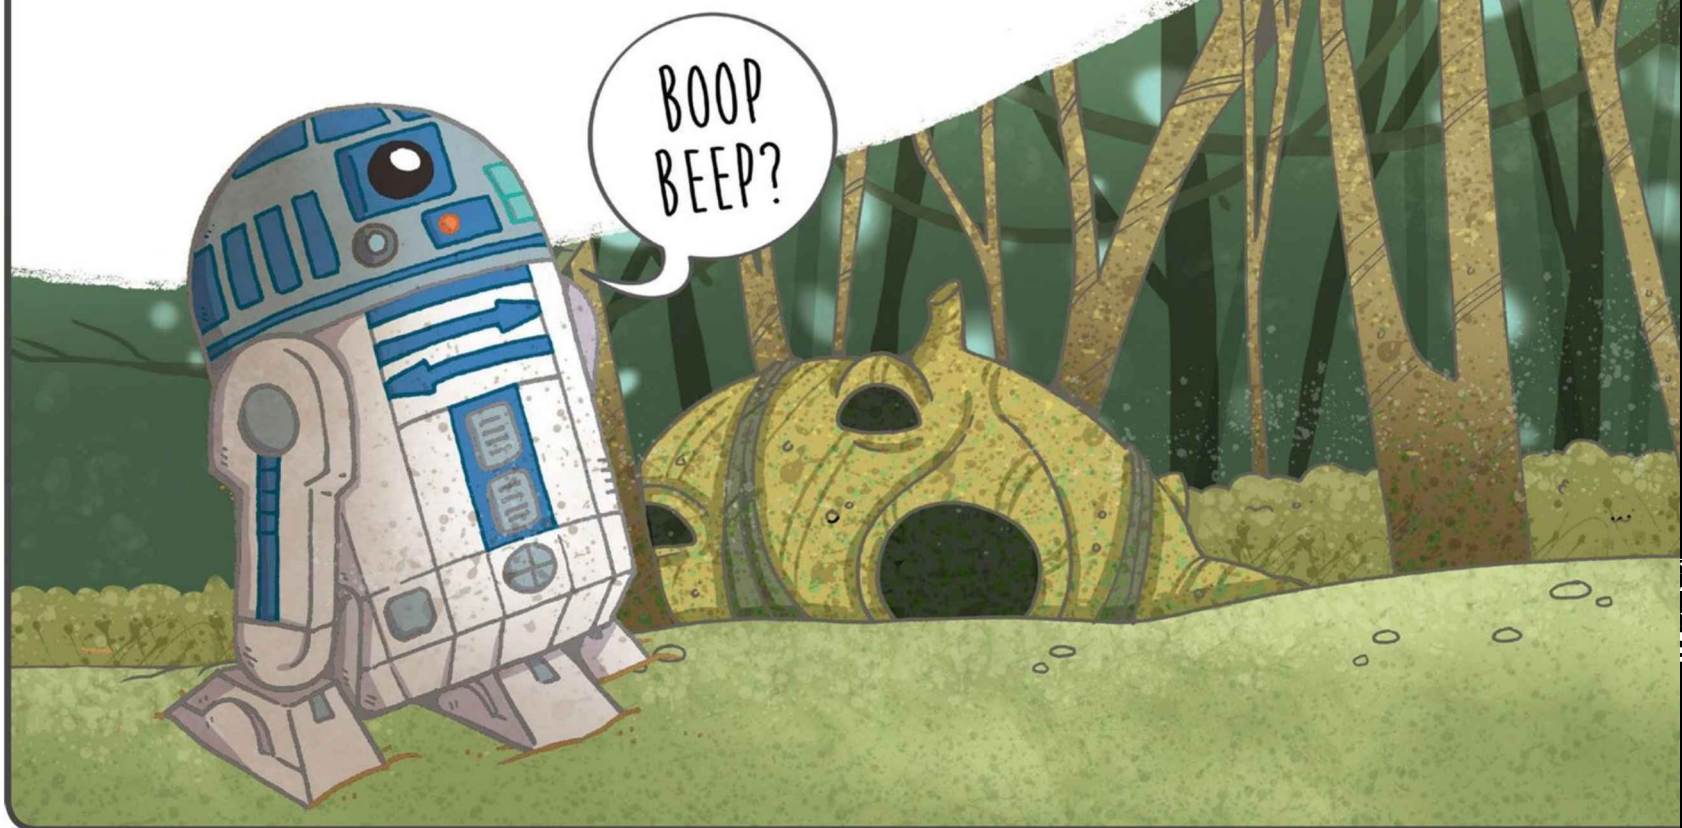

YODA
VOTK

Small he might seem
And green he may be,
But Yoda is smart; don't you agree?
He's the wisest of sages,
A Jedi Knight for the ages,
And train you, he will, if you plead.

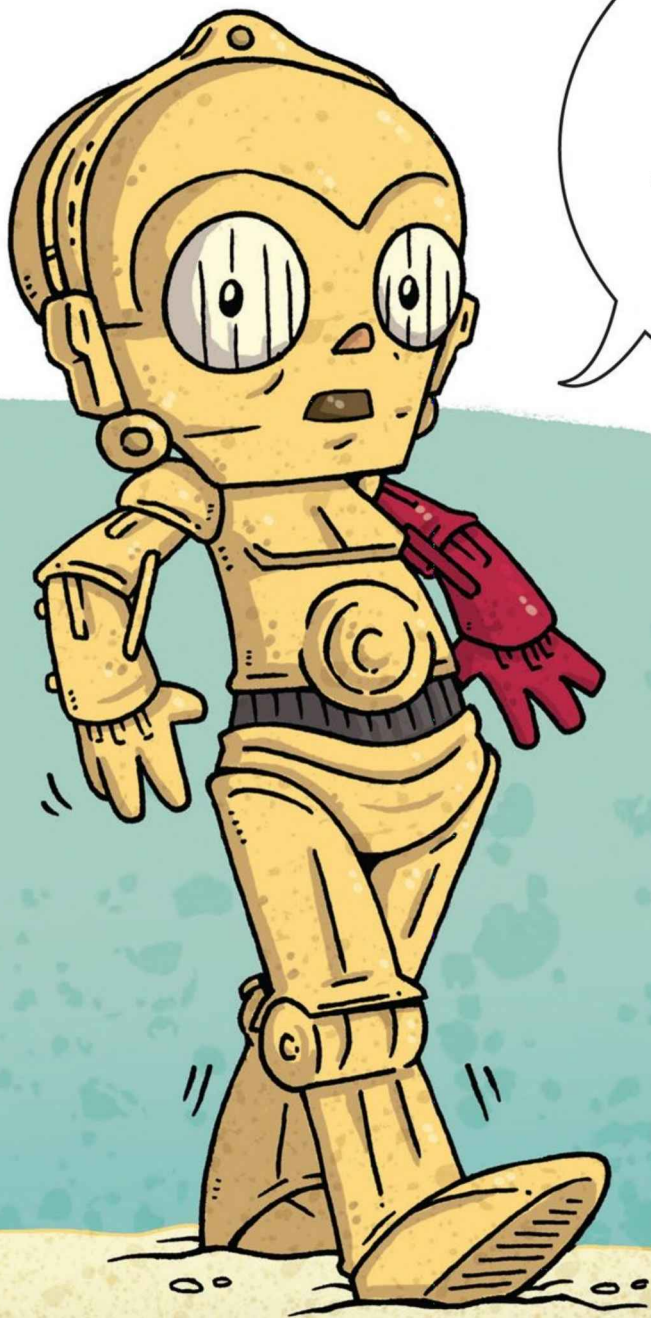

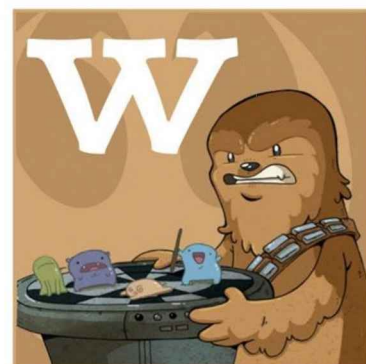

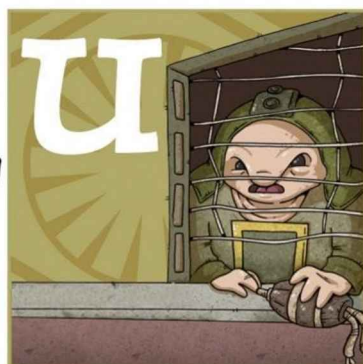

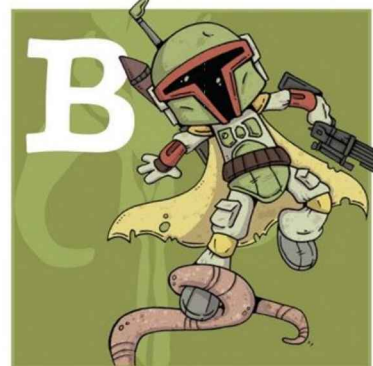

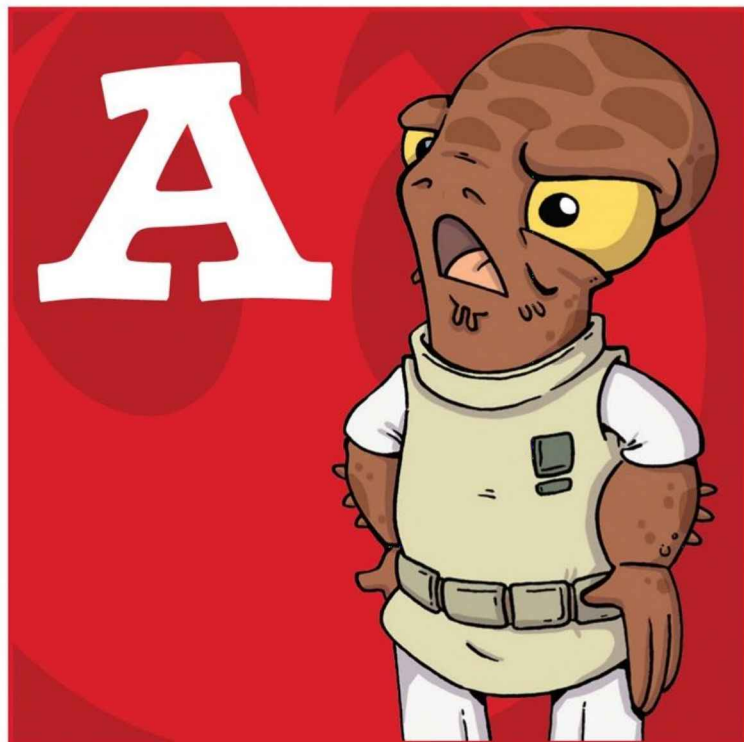

ZEB
DVE

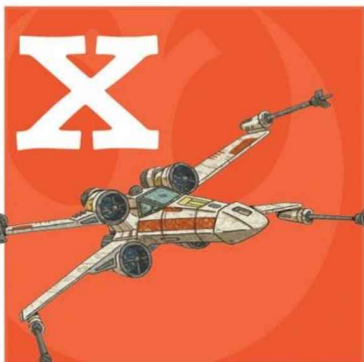

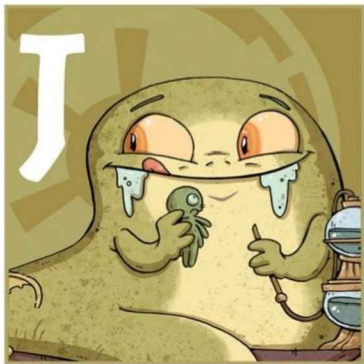

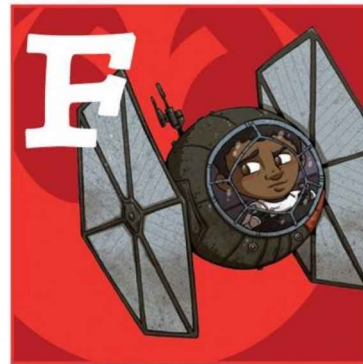

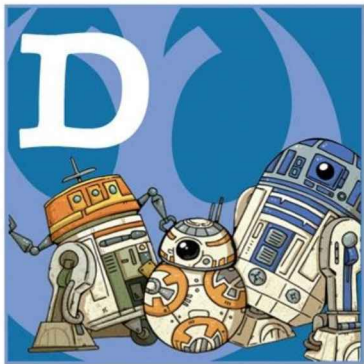

Zeb has a temper,
But I wouldn't test it.
As Ezra can tell you,
You'd learn to regret it.
A Lasat by birth
And a warrior by trade,
Zeb is a rebel
Ready to come to your aid.

Goodness gracious me!
Finished already?
You are quite clever, you know ...
for a human being.
